

WE'VE GOT YOUR BACK

The ARDEX Group don't just manufacture high performance building products, we provide industry leading technical advice and support.

Your needs might change from project to project, but our technical team is always on hand to help, not just over the phone, but in person and on-site.

So, if you need advice about a product, site support, or even training for your team, contact your local Technical Support Manager today.

TECHNICAL ADVICE

When you're busy jumping from job-to-job and need advice, one call to us is all you need to get it sorted.

SITE SUPPORT

Our experienced team is on hand with product and installation advice, meaning you're never on your own.

MOISTURE TESTS

Don't get caught out by moisture! Our team can perform on-site Hygrometer tests, explain the results, and recommend the best moisture control system for your job.

RECOMMENDATION WRITING

We work closely with underfloor heating, tile, resilient floorcovering and many other manufacturers to ensure the most suitable recommendation for your project.

TRAINING

ARDEX Group offer a range of courses at our purpose-built Academies in Suffolk and Stoke-on-Trent. Alternatively, we can tailor training to meet your specific needs and deliver it at a location of your choice.

Visit www.ardexacademy.uk to view our available courses and book now.
